## **SPECIAL SKILLS & INTERESTS**

There's no doubt that Chance is an all-around performer at heart! Though his first love was theatre, Chance is eager to work in new fields for which he's been training. He's also an award-winning 2nd Degree Black Belt in Taekwondo as well as a performer & choreographer for Port City Dragons (extreme martial arts team). Though most of his youth was spent in Montana, he now lives in Wilmington, NC where he's a HS Freshman scholar and talented Violinist. At an early age Chance began teaching himself dance, gymnastics, contortion and most recently ... piano. Always a professional with impeccable manners and work ethic, Chance is exceptionally gifted at memorization and a great conversationalist. He's naturally at ease with animals, children, amputees, the elderly, disabled & mentally ill.
